PROFESSIONAL EXPERIENCE

Marketing Manager | Mar 2025 - Present

Mansour Holding - Saudi Arabia (On-site)

- Own marketing end-to-end across paid media, organic social, SEO, and website - mapping the full customer journey from first touch to conversion and repeat, with a consistent brand voice across all channels.
- Manage and optimise paid search (Google Ads) and paid social (Meta), monitoring daily spend and pacing and adjusting in real time to hit ROI targets.
- Raised conversion rate by 20% in the real estate sector through CRO: landing-page optimisation, A/B testing on creatives and audiences, and purchase-flow improvements.
- Built a full visual identity for a new brand from scratch and led a rebranding for a second brand, owning brand consistency across every touchpoint.
- Build and maintain GA4 dashboards, track rankings and conversions, and report monthly with clear, actionable insights; use AI tools (ChatGPT, Claude) to automate reporting and workflows.

Marketing Manager | Jan 2024 - Feb 2025

Imperium Group - Dubai & Abu Dhabi, UAE

- Owned revenue-focused growth across Meta, Google, and TikTok, growing market share by 30% and revenue by 20%, reporting on CAC, ROAS, and contribution rather than vanity metrics.
- Cut customer acquisition cost (CAC) by 28% and improved lead quality by 35% through sharper targeting, conversion tracking, and unit-economics analysis.
- Boosted lead generation by 40% in the first quarter by restructuring underperforming campaigns and reworking keywords, landing pages, and the booking funnel (paid search + SEO).
- Built and maintained GA4 and Google Tag Manager dashboards for real-time KPIs, delivering weekly and monthly reporting with recommended actions.
- Ran A/B tests on creatives and landing pages and built remarketing/retargeting campaigns; worked cross-functionally with sales and product to improve lead handoff.

Marketing Manager | Jun 2022 - Dec 2023

Media Factory World (Yousry Group) - Kuwait (HQ), Qatar, Egypt, UAE, KSA, Jordan

- Delivered 5.2x ROAS on \$300K+ annual ad spend across Google Ads, Meta Business Manager, TikTok, and Snapchat.
- Directed paid media and performance marketing across the GCC and MENA, owning planning, budget allocation, daily pacing, and optimisation across F&B, hospitality, and consumer brands.
- Hired, built, and led a high-performing cross-functional team of 150+, setting goals, KPI frameworks, and performance benchmarks.
- Identified and briefed creators and influencers for UGC and sponsored content, keeping content aligned with

campaign objectives.

- Ran activations, launches, and local partnership campaigns adapted to each market and its regulations.

Digital Marketing Manager | Jul 2020 - May 2022

Town Team - Egypt (Kenya, KSA, Morocco & Egypt accounts)

- Owned full marketing strategy and full-funnel growth for four accounts across Africa and the Middle East, each delivering ~20% quarterly sales growth.
- Ran multi-phase paid and organic campaigns adapted to each market, raising online visibility by 69% and engagement by 78%.
- Oversaw organic social strategy and content calendars, ensuring brand consistency and healthy community engagement; built retention and re-engagement loops.

Head of Performance Team | Oct 2018 - Jun 2020

Dezzex Digital Marketing Agency - Saudi Arabia, Egypt, UAE

- Promoted from Senior Performance Specialist to Head of Performance; led a 12-person team managing 80-150 client accounts a month at a consistent 6x ROI.
- Managed a monthly ad budget exceeding \$2.5M across paid social and paid search, owning media-buying strategy and budget allocation.
- Set up KPI frameworks and benchmarks, mentored team members from junior to senior, and helped expand into three new markets.

Senior Media Buyer | Sep 2017 - Sep 2018

Giant Whale - Riyadh, Saudi Arabia

- Delivered 5-8x ROAS across 180+ monthly accounts in the KSA real estate and restaurant sectors, managing a SAR 2.5M monthly budget with careful ROI tracking.

Media Buyer | Jan 2017 - Aug 2017

Wasta Agency - Egypt

- Ran Facebook and Google Ads campaigns end-to-end for local and regional clients: setup, optimisation, audience targeting, budget allocation, and reporting.
